

Adult Input Page

To the Adult – this page will allow your son or daughter to better learn. When a person teaches another, both learn, but the ‘teacher’ often learns much more than the ‘student.’

The task of your son or daughter is to discuss and teach a concept covered in class to you.

You should write down one or two sentences explaining what was LEARNED from discuss and tutoring. Not just that it took place. Without your writing what was learned, full credit for the ‘teaching’ will not be earned by the student.
